Still, The Way We Love: The Finale

Synopsis

Her casket was an ugly color. Some weird grayish shade that didn't sit well with me for whatever unknown reason. "You good, babe?" Nodding without so much as tearing my eyes away from what was slowly fading from my view, I answered a question I hadn't even processed. After all, this was my mother. Was I supposed to be okay? Download the finale of *The Way We Love* as Nhalia, Benji, Nina and Cimoni discover that in life every up has a down, and every wrong will be made right again...but at the end of it all, they still have...love.

Customer Reviews

It warmed my heart to see Nhalia and Nina find their way to God. I wish the same had happened for Cimoni; she was her father's child through and through, but what profiteth a man to gain the whole world? I didn't see the twist with Stephanie coming; she was so instrumental in Benji's business. Still not sure about Nikki, but don't want to spoil it for those who haven't read this. I enjoyed this series and was glad Nhalia finally caught a break.

This book was great from beginning to end. I enjoyed the transformation of most of the character

when they began developing relationship with God. Cimini is still a hot mess but God has the final say

I love the story, I have been waiting for this book and it did not disappoint. Very inspiring! Looking forward to next book

This has been an amazing series glad to see that Nae and Benji got their happy ending. Poor Camari there was just no saving her.
