Henry And Mudge Get The Cold Shivers

Synopsis

Henry brings his dog Mudge to the vet in this seventh Ready-to-Read book of their adventures. Henry and his 180-pound dog Mudge are best friends forever. And when it's time for Mudge to get a checkup, Henry and Mudge spend a scary but reassuring day at the vet.

Grade Level: Kindergarten - 2

Customer Reviews

Kindergarten-Grade 3-- Henry and his devoted canine, Mudge, share some scary moments when the big dog gets sick and has to go to the vet. It had always been Mudge who stayed by a sick Henry; always Mudge who loved Henry's sick days because he could stay with Henry, who fed him the crackers that Henry's parents kept bringing to the sick bed. Now, it is Mudge who is lying around and able only to wag his tail when Henry wakes in the morning. The sad, fearful expression on Henry's face as he and his mother take Mudge to the vet will bring tears of compassion. The picture of Henry holding Mudge's tail as he listens to the diagnosis captures the unspoken, "Don't worry, I'm with you." Children will respond warmly to the kind, female vet whose assurances give Henry a laugh. At home, Henry pampers Mudge to help him get over his cold and fever--even eating the crackers Mudge refuses. After a few days, Mudge gobbles the crackers and is back in good health.

The bond of caring and special friendship between these two young friends is once again humorously and sensitively delivered. This easy-to-read, three-chapter book is certain to be as popular as the others in this series. --Ellen Dibner, East School, Long Beach, NY Copyright 1989 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

Cynthia Rylant is the author of more than 100 books for young people, including the beloved Henry and Mudge, Annie and Snowball, Brownie & Pearl, and Mr. Putter & Tabby series. Her novel *Missing May* received the Newbery Medal. She lives in Lake Oswego, Oregon. Visit her at CynthiaRylant.com. Susan Stevenson is the acclaimed author and illustrator of more than fifty books for children and is best known as the illustrator of the popular Henry and Mudge books by Cynthia Rylant. She lives on Cape Cod, Massachusetts, with her little cocker spaniel, Gracie.

Can't go wrong with any Cynthia Rylant books. She really gets both new and struggling readers. My daughter relates to Henry because she's an only child and a dog lover.

Great book to read with a struggling reader!

Everyone loves Henry and Mudge! This book arrived in speedy fashion, and fit my needs perfectly.

Henry and Mudge books are perfect for the reluctant reader. Cynthia Rylant is outstanding as far as motivating beginning readers with humor and interesting, funny, relevant plots. Cynthia Rylant is our favorite children's book author of all time, and we would recommend other books by her for beginning readers.

A great beginning chapter book for your early reader. All about a boy, Henry, and his Dog Mudge. Very cute. Clear simple sentences, colorful pictures, and great use of humor all kids (especially boys) can relate to. I would recommend this book for early readers (approx. 1st grade level)

I am a first grader and I really thought this book was cool! I liked the story and the color pictures.

We got our first few Henry and Mudge books as gifts. They are in regular rotation before bed time. It's good to see we're not the only ones to shiver and shed when visiting the doctor. :-)

Great stories that are fun to read over and over!
