Customer Reviews

Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.

I am from Austin. Bought this just for kicks. I was already aware of nearly all the places and can agree with their recs. There are a couple of places closed and more closing I'm sure (such is Austin), so keep in mind it could be considered outdated, already! Great pics and briefs -- keeps it classy and design focused. Everyday there are new places popping up that deserve to be in this publication -- would be better if Wallpaper offered bonus (updated) web content access with purchase.

I get this is supposed to be compact, and be is it; so small as to be not very useful and even though it's cheap it's still not a good value, given the lack of substance.

Great guide , concise format. Easy to carry around . Doesn't disappoint.

well done. lots of places added to "wish list."
