Barron's is missing out on an important market. They haven't updated this since 2013!!! This WAS a reliable book for the English, Reading and Writing sections of the exam, but now its so outdated, it's fairly worthless.

Great book

great guide, packed full of practice tests which I think is the most important thing

Thank you.

Great

Typical ACT Test book

Teaching ACT prep and using this!!!

The workbook lists simple rules in an easy to follow format. Has a good explanation of why a particular answer is correct. Does a better job of explaining things than some other books.
