# Twelve Extraordinary Women: How God Shaped Women Of The Bible And What He Wants To Do With You (Christian Softcover Originals)

## **Synopsis**

"Celebrated for their courage, vision, hospitality, and spiritual giftedness, it's no wonder women were so important to God's plan revealed in the Old and New Testaments. It wasn't their natural qualities that made these women extraordinary but the power of the one true God whom they worshiped and served. In [this book], you'll learn more than fascinating information about these women, you'll discover--perhaps for the first time--the ... chronology of God's redemptive work in history through their lives"--.com.

## **Book Information**

John MacArthur is the pastor-teacher of Grace Community Church in Sun Valley, California, president of the Masterâ™s College and Seminary, and featured teacher with the Grace to You media ministry. In more than four decades of ministry, John has written dozens of bestselling books, including The MacArthur Study Bible, The Gospel According to Jesus, and Slave. He and his wife, Patricia, have four married children and fifteen grandchildren. --This text refers to an out of print or unavailable edition of this title.

Tamara Adams gives a tone of authenticity to the stories of 12 remarkable biblical women. In Adams's voice one can hear Ruth's steadfast commitment to the needs of her mother-in-law after Naomi's husband's untimely death. Adams creates a tone of understanding as Martha and Mary, sisters of Lazarus, learn to practice love of God by choice instead of circumstance. When Jesus

reaches out and requests a drink of water from the Samaritan woman despised by the Jews for her mixed race, listeners can hear the love and compassion he offers her in Adams's voice. Overall, Adams uses subtle, suggestive accents and a versatile range to deliver polished, believable stories about women with traits of integrity, hospitality, and virtue. This is the second book I have read from this author. This book does not disappoint. John MacArthur chooses twelve women from the Old and New Testament and does a deep study on them. He uses Scripture to back up his thoughts but adds his opinions for the reader to consider. I thoroughly enjoyed seeing these women in some different ways than just the usual teaching about them.

Excellent book, MacArthur is great writer... inspirational for young women... I guess older women as well as there is some misconception that the Bible (and the God of the Bible) is anti-women. That is crazy, good book

No doubt this is one of the best book I have ever read. Our church ladies have used this for our Wednesday Night Meeting. Have learned so much new information that we had no idea about. Highly recommend this book for your Ladies Church and even for individuals to read.

Great book. Very detailed and easy to read. Although some of the women in our Bible study find it a bit deep, I find it fascinating that the author can find so much information about these women. I have always liked John MacArthur and respect his narrative as being backed up with scripture but some feel he is adding too much speculation. The only negative perhaps is you cannot break the chapters into sections if you are going to answer the questions at the same time as they encompass the entire chapter. A great deal of information to cover in our 2 hour weekly study-at least for many of the chapters. If you are reading this alone or if your group does not mind buckling down to study this is a wonderful book. I would highly recommend. Received as promised from seller.

This is an excellent commentary on how God used these chosen women to fulfill his plan of bringing our promised Savior and Messiah into the world through the line of David exactly as He promised in His word. I was especially taken with the story of Rahab and how God chose a morally and socially

unacceptable woman to carry out His plan and show how someone of pagan beliefs and circumstances can have faith and trust in the one true God who has the power to rescue and redeem all people from certain death. Excellent job by John MacArthur!

This author never fails me. Accurate, interesting and precise. Great women's study.

I love this reference, to supplement Bible study.

John MacArthur takes twelve Biblical women and gives them flesh and bone realness. He shows how these women become extraordinary because of their faith in God. However, their lives do not come across as being sanctimonious . MacArthur shows each woman's human instincts, emotions and reactions in terms that the reader recognizes as realistic and not pious. His treatment of Rahab is especially outstandingand reveals facets of her life and background that provide riveting reading.
