Customer Reviews

I love Taste of Home magazine, and especially their seasonal cookbooks, so I was delighted to see this offering. The recipes included are ones from their Thanksgiving annuals, and include seasonal

favorites like "Pumpkin Patch Biscuits" and "Tastes Like Thanksgiving Casserole." Each recipe has an attractive picture and includes easy to follow instructions. I hope to collect more Taste of Home magazines on my kindle, and I hope they make the other Thanksgiving mini-cookbooks available perhaps in a second volume.

So many wonderful ideas and good recipes. It brings me much needed inspiration for the Holidays. I would recommend any of the "Taste of Home" books. I love them all and have become a collector of their books. The books are full of color, photo's and it makes me hungry, just looking through it. I also recommend that you snack on something as you read this book, it will help with the drooling.

There are some real gems mixed in with the obligatory pumpkin and cranberry dishes. Taste of Home always gives us something new.

I was very disappointed in this purchase.
