Ouija Board Magick: Archangels Edition: Communicate And Harness The Power Of The Great Archangels

Synopsis

From time immemorial, people have been wanting to communicate with the great unknown. We all know instinctively that there is a reality beyond what we can see. We feel it, we sense it and just know that we are not alone in this world. I am not talking about little green men (although they too exist), but I am talking of a supernatural world that is beyond our senses, yet in a real way very accessible by the senses themselves. If you read any spiritual tradition you will find countless worlds of spiritual beings, from archangels, to demons, fairies, elementals and so on. More often than not, we are looking to them for guidance. We pray, we fast, we sing, we dance and we use such devices as the Ouija board in order to communicate with them. In this series, Ouija Board Magick, we will discuss the various ways of communicating with the spiritual world. Each volume will contain one class of spiritual beings. We will learn what they are and brief history of both the spiritual entities and the Ouija board, as well as ways to harness their powers for our magickal purposes. But I must warn you, this is certainly not for the faint of heart. Using a Ouija board is, even for people such as myself who practice magick on a daily basis, a slight bit "spooky". When using the Ouija you are opening a portal to the unknown. In this book, we will discuss how to communicate and work magically with the Archangels of the western tradition, mainly Angels Michael, Gabriel, Uriel, Raphael, and one other Angel, Metatron.

Customer Reviews

I worked the book the first time and Metatron said he was woke and told me I have to teach. I came back for a second question and I think I upset him LOL overall, this techniques does work. However,

you must set your intentions to speak with benevolent spirits and set boundaries with a regular Ouija board. My third experience, you can probably guess who I got in touch with. EEkkk
