Concise reference, have only skimmed it so far but appears to provide a nice overview. Fodor's are generally solid, have no reason to expect anything different in this format. Large enough to be

useful, small enough to travel well.

great book. love the different itineraries it offers up depending on how long you have in the city.

GREAT REFERENCE BOOK FOR THOSE TRAVELING TO BUDAPEST

Very helpful in guiding my daughter through Budapest!

Really like this compact, condensed guide book with suggested itineraries. Will be taking to my trip to Budapest.

Informative

It is okay, but have ordered the newest version of Lonely Planet Budapest. I like Lonely Planet better as it seems more personalized and human

The print is too small & it is not cohesive. This was not a good choice for me
