SINK (Mermaid Royalty Book 1)

Synopsis

"This book was magical from page one until the end." - Debbie Herbert, USA Today Best Selling author of the Dark Seas Trilogy. "You have GOT to read this one!" - Becky at Book Bite Reviews. "Enter this aquatic world and be prepared for a riveting tale.... No pun intended." -Laura at YA Book Divas.Sink is perfect for fans of Carrie Anne Noble's The Mermaid's Sister, Kiera Cass' The Siren, and Anna Banks' Of Poseidon. Obedience has always been a matter of survival for sixteen-year-old mermaid princess Pauline. Her mother is the tyrannical Queen Calypso, who rules the kingdom of Atargatis with an iron trident. To utter one word against her would mean banishment "or worse" so Pauline bites her tongue and minds her manners. But on the eve of her sister's merling-shower, all of that is about to change. Confronted with the truth about what happens to the human men who are betrothed to the mermaids of Atargatis, Pauline realizes she can stay silent no more.Determined to end the queen's dark tradition, Pauline goes along on a search for shipwreck survivors, secretly planning to free them. But things get complicated when she finds herself inexplicably drawn to one of the men. Before she realizes what's happening, she has kissed him "and a kiss from a mermaid is not without consequences. Now Pauline will have to risk everything if she is to save the young man and thwart the queen's dark plans |

Customer Reviews

This book was magical from page one until the end. I adore mermaid stories and the author's mythology surrounding them was enchanting. Pauline grows from a frightened girl, cowering before her mother, Queen Calypso, into one kick-butt mermaid. I cheered for her from the beginning. Her human love, Eddie is charming, funny and all you could want in a hero. The underwater scenes and world-building were superb. Who hasn't fantasized about the gold-paved streets of Atlantis? And there were dolphin rides! The book left me hungry for more undersea adventures. There were so many intriguing side characters such as Pauline's BFF Jewell, her two sisters, and the sea witch named Myrtle. I read this entire book in one sitting, something I haven't done with a novel in a long time. It's a clean read YA story that teens and adults alike will enjoy.

I read the synopsis and was intrigued, and the beautiful cover sealed the deal for me and let me tell you... OMG!! Once you pick this book up, you will not want to put it down until you reach the very last page which is exactly what happened. I started reading it right before bedtime and stayed up reading it until I was done. First, the author has a creative and magical way of weaving the perfect story line, so I was immediately captured in her net. The world building was amazing, and the characters were simply beautiful and that even includes the very despicable Queen Calypso and Prawn. I must say that I was completely caught off guard when the truth about what happens to the human males was revealed as I did not see it coming. This story contains a little bit of everything from love conquering obstacles to seething hatred. I cannot wait to see how things go for Pauline and Eddie and I HIGHLY recommend this to one and all. Enter this aquatic world and be prepared for a riveting tale.... No pun intended.

This was the first book I have read by M.E. Rhines and I absolutely loved it. I will definitely be reading the two more books that will be coming out from this series, and will also be checking out the other books by her. For me, this book was a short one, but I couldn't have enjoyed it more. I loved how the author was able to weave so many characters and storylines into one book without getting the page count into the 400's or beyond. If it was longer I wouldn't have cared, because that just means more time with the characters for me, but I honestly think it was the perfect length. I

loved the romance, the action, and all the darkness that was in this book. Throw a book my way will fantasy/paranormal creatures, romance, and some dark and disturbing plot lines and I will fall in love. You have GOT to read this one!

I love this book! I was hooked from the beginning and it just got better as the story progressed. If you like/love the little mermaid then you'll love this story! The plot for me was predictable however I did not care because I found the style of writing pulled me in. The characters, I thought, are great. They all have there own personality. The only negative I have about this book is that I found Calypso isn't evil enough. I didn't hate her like you would a villain, I felt more sorry for her. But then again that could be part of her character that she tries to portray to people. If this is what the author is trying to achieve, then she has done it!! I would recommend to all ages. There is some mild violence at the beginning of the book. There is no language/sexual content except for kissing.

Love this bewitching tale of mermaids & other mythical characters. A magical & enchanting story that leaps off the pages. I cannot wait for Book Two of this sparkling story. A fabulous writing that is well detailed with the world building & characters descriptions. Embark on a journey of climatic moments & brimming with mythical characters that exude charm & humour. With a well blended mix of characters & plot twists that keep you at the edge of your spot. I highly recommend reading this YA Fantasy Novel as it is superbly done. I volunteerily reviewed an advanced reading copy of this book.

Received a copy to read and review. I really enjoyed reading it. Love the characters and the plot. It has some great twists and turns. Readers will be drawn into the story from the beginning. I look forward to reading more of M.E.'s books.

Love this book. It was the first book of M.E. Rhines that I was reading. Not disapointed. Will sure be reading the rest of the serie.

Such a magical book about mermaids. I loved it...
