Have You Ever Seen A Moose Brushing His Teeth?

Synopsis

"Have YOU ever seen a Moose brushing his teeth? Â You will knee slap and toe-tap in true disbelief! Â It's a sight like no other, so it's been said, three times a day and then right before bed!"Â The silly Moose antics continue in this sequel toÂ Have You Ever Seen A Moose Taking A Bath? Â The delightful rhyming lyrics are accompanied by vibrant, action-packed illustrations. This lovable Moose has waited too long to care for his "toofers" and now his teeth have the slime! Â Join him as he takes all the necessary steps to regain his "pearly whites"! This engaging book captures the wonder of Mother Nature while stressing the importance of good dental hygiene!

Customer Reviews

Jamie's incredible love for children combined with the wonder of Mother Nature's animals has inspired her to write about different ways to make daily grooming habits FUN! Â Jamie and her husband live in Indiana with their two delightful children! Â

drab

Loved the story and especially the illustrations-magical for my kids!

This is another great teeth brushing book for my boys (along with Clarabella's Teeth)

Cute book and my granddaughter loves it and we're hoping it'll help her brush her teeth more cooperatively. Book came in condition and in a timely manner as promised.

Too wordy for toddlers. Lost interest in story but thankfully like to brush teeth.

I hate this book. It is not a very smooth read. My son loves the illustrations so I make up my own story if he insists on the "moose book". I bought it based on the other reviews but I don't enjoy reading it at all.

My father bought this book for my son down in Brown County IN. My son is 3 years old and just loves this book. The story is wonderful and the pictures are outstanding. This book actually motivates my son to brush his teeth. It is a wonderful book. We also have "Have You Ever Seen a Moose Taking A Bath?" I am not one to write a review but I believe that people should know about this book.
