The Power Of Crying Out: When Prayer Becomes Mighty (LifeChange Books)

Synopsis

When members of the early church cried out to God in urgent need, the place shook with the power of their supplication. In this compelling vision for modern-day supplication, Bill Gothard recognizes the key truth that only God's almighty power can rescue His children in times of distress. Using illustrations from Scripture and testimonies from everyday people, Gothard demonstrates the power of crying out -- and how God can shake the world of those who cry out to Him today.

For over fifty years, Bill Gothard, founder of the Institute in Basic Life Principles, has dedicated his life to training young people to be mighty in spirit, mature in character, and wise in decision-making. Today, the Institute works with the leaders of fifteen nations and has many different divisions designed to strengthen youth and families. Gothard lives in a suburb of Chicago, Illinois.

Bill Gothard's approach to effective, fervent prayer reminds me of old fashioned revival meetings and altar calls. The old-timers called out to God in loud voices and prayers were heard, bringing wonderful answers. The American church today has traded passionate prayer for reticent, silent petitions with the result that miracles have become unusual among us. Gothard calls us back to using our voices with biblical examples and quotations to uphold his invitation. Those who read this book, apply its lessons, and believe that our Father God hears should be ready to welcome new

power in prayer.

This book will change your life, if you let it! Read and practice and you will be amazed! Yay God!

Having experienced the ministry of Bill Gothard as a college student in the mid to late 1970's, I knew this would be an encouraging and faith-challenging book. Often, with the passing of time, we can slip into habits of prayer that miss the fullness of all the Father has for us. What a wonderfully gentle prodding to step out in faith and cry out in faith. As expected, this book was packed with scriptural admonitions.

Wow I was really impressed with this little book. will read it again. will keep it by my bedside to reread when I need a refresher. I very much recommend this book.

A quick and significant read. Reinvigorate your prayer life with stories of victory, history and straight talk from Scripture. He weaves together personal experiences and Biblical examples to help you find a new passion and fire in your prayer and in your expectation that God will hear and answer.

It was so affirming! I believe speaking our prayers makes a difference.

This book describes and gives testimony to the many facets of crying out to God that lay the scriptural groundwork for powerful prayer. The many inspiring testimonies are faith building.

This book teaches you to prayer fervently and earnestly. Great spiritual insights! Great book. a sure weapon to have in your arsenal.thanks Bill.
