Customer Reviews

Bought this one and a few others in the series for my sons 1st birthday. They are a sturdy cardboard and have bright pictures just like the photos showed. He can drop them chew on them and they withstand the torture! Good product great price.

Got this as a gift for my 3 yr old nephew. Great book with riddles. Perfect for a basketball lover! He can, and does take this everywhere!

Ok introduction of sports to young kids (like 1-year-olds). Too basic for kids over 2.

SO good my son love this

This book is full of rhyming riddles teaching kids about basketball. Love it!

This book was defective. It was a created and put together with a page that was upside down. That is ridiculous. So, now what??.....

My son loves reading this book. He enjoys being able to guess the answers to the riddles. It has just the right amount of words per page to hold his attention until the next flip.

Cute book for kids to learn words related to basketball.
