Customer Reviews

Summerhill Secrets is a super novel about a 15 yr. old girl, Merry, who follows God's law and grows as a teenage Christian. The 5 stories in this book are very well written and interesting. This book was a quick read, but still awesome and I learned a lot about the Amish too. Have fun with Merry as she experiences everyday things teenagers can experience today. Summerhill Secrets by Beverly Lewis is definitely a 5 star, must read, book for any Christian teen.

Beverly Lewis is by far my favorite author. I read volume 1 & 2, and enjoyed both books. You laughed and cried with the characters. It was very enjoyable. I loved these books and would recommend these to all. I wish I could give more than 5 stars.

I know this was written for teenage girls, but as an adult I loved it. I have all Beverly's books and could not pass these up and had to add to my collection.

Some say these books r just for young people but I did enjoy this series myself of course it didn't end the way I would have wanted it too. I like the way Merry kept her faith through very situation . for a young person that is a lot to say. sometimes I think these characters. are real people. that what likeability Beverly Lewis writing.

As always Beverly Lewis did not fail, her books are always wonderful. I enjoyed reading this book as much as I have enjoyed every other book that I own of hers

Repeated a lot but all and all enjoyed reading. I wish your books were not. So expensive. I would buy more

I liked both books, had to make myself put the book down for the night other wish I would up all night reading. I loved How Beverly Lewis work in the story about God 's love for us and now He cares for us.

My 13 year old daughter loves these and she usually reads action/sci-fi, funny! I love to find "clean" and uplifting novels for my daughters to read!
