Standard Of Excellence Book 3

Trombone

Synopsis

Standard of Excellence Book 3 is a continuation of the strong performance-centered curriculum of Books 1 and 2. It is also an intermediate level band method that introduces students to Western Music History. Students play music from the Middle Ages, Renaissance, Baroque, Classical, Romantic periods and 20th Century; they learn performance and technical skills within the appropriate historical context. Students are given a complete musical and historical education while advancing toward high levels of musical performance on their individual instruments.

- Solid reinforcement of major and minor key signatures.
- Technique development exercises including scales and a wide variety of scale-related studies.
- Advanced rhythms and time signature studies.
- Detailed trill fingering charts and extended range fingering charts.
- Twelve full band arrangements including concert length arrangements from historic periods.

Customer Reviews

This is a good series both for teach and just to keep on you for practice. I played when I was a kid through high school and a few years beyond, then stopped and picked it back up in my 30's... after learning to play, then having to reteach myself and be the learner with the knowledge I have... I can say that it's a really great series... I've been teaching kids with it as well..

Great book for next level of learning

Exactly what the teacher requested

its a good book i use it for my band class and its good. but if u just starded this is not for u
