Laura Ingalls Wilder (1867-1957) was born in a log cabin in the Wisconsin woods. With her family, she pioneered throughout America's heartland during the 1870s and 1880s, finally settling in Dakota Territory. She married Almanzo Wilder in 1885; their only daughter, Rose, was born the following year. The Wilders moved to Rocky Ridge Farm at Mansfield, Missouri, in 1894, where they established a permanent home. After years of farming, Laura wrote the first of her beloved Little House books in 1932. The nine Little House books are international classics. Her writings live on.

into the twenty-first century as America's quintessential pioneer story. Garth Williams's classic illustrations for the Little House books caused Laura to remark that she "and her folks live again in these pictures." Garth Williams also illustrated Charlotte's Web, Stuart Little, and almost one hundred other books.

I bought this set for a 7 year old who reads extremely well. She dived into the first one within minutes of opening the gift! Her Mom says that she loves them--just as she did. And her Grammy did. And I did . And my daughter did! Classic Children's Literature!

Bought for my granddaughter so she would have the same wonderful memories of these books that I do!

I bought these for me, very well written and my grand daughter started reading them right after me. She is 10 and loves to read.

Was a hit

great series

I bought this to give as a Christmas gift so I haven't given it yet, but the books seem sturdy and the cover art is perfect.

Fast shipping! This was actually a gift for my niece, but she loved all the books.

A classic, far better for young readers than what is written at present
