Book by HOLT, RINEHART AND WINSTON

This is the first used book that I bought where I was disappointed. Up to this point the condition of any given used book has been spot on. However, there was no indication on the used book that I bought here that the first 28 pages were completed. If this had been disclosed, I would have not purchased. My emails to used book provider made it more of a hassle to return than it should have been...and was told, I bought it used, so what should I expect.

good

Awesome company to work with :)
