Customer Reviews

This is NOT Sugar-Free, it is no Sugar ADDED. Not what you want if you are DIETING!

great

This book is easy to follow. The recipes are very well written out so you know exactly what ingredients to use and how much. I also liked how there was a paragraph telling about the recipes so you know what the point of that specific juice was.

This book is a must have for diabetics looking to keep their sugars in range and to lower their hgbA1c low.

now all I need is the ninja juicer!
