Thank you so much for this amazing book! You have inspired me and have given me the motivation I need to move on. You speak from the heart and this is what I needed at this moment. It's those reminders that we need time to time to remind us and let us know that we WILL be okay! For anyone going through a heartbreak, I know it's not easy, but things will be okay.

I bought this book to help me understand what changes were happening in my life, the emotions I was feeling, and how to cope. The author gives incredible advice because she too has recovered from broken relationships. It helped to pick myself back up, mend my own heart, and to hold me composure through a rough time. There is life and love after heart break

Loved it

If you need help in moving on or letting go, I highly recommend this book. The author starts each chapter with a quote and as you read the chapter, she explains further what she meant by her quote. You can relate easily as if the author knows what you're going thru.
