We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Hal Leonard has been the standard in big note music books for years. I'm playing the piano again after MANY years of not having the time to play. This book is a good place to start. Also bought Hal Leonard's Big Note Hymn Book.

Perfect for my mother who is partially blind. She loved it.
