Needle Felting Masks And Finger Puppets

Synopsis

Create beautiful works of art that you can display and use. Easy to follow step-by-step instructions with full color photos suitable for all skill levels. Make captivating animal masks that are wearable art. Masks can be made for children or adults. They may be displayed on a stand or hung on the wall. Make a set of finger puppets that will encourage a child's imagination. Prompt their storytelling by giving them a group of puppets that follow a theme. Assemble the entire group together for an enchanting display when they are not in use.

Customer Reviews

I think this book is for people who are experienced at needle felting. I have been felting for about ten years and I must admit I did not like this book very much. Some good ideas, but the pictures show you the finished product. Yes, there are many pictures, but there is something missing...

Great detailed step-by-step photos and instructions. You're shown how to make simple shapes and combine them into wonderful, elaborate creations. Lots of great tips and tricks to get the best results. There are even templates included, to help you with sizes and shapes, to keep your proportions accurate. If you are crafty, you too can do this!!

The pictures are fabulous and really spark your creativity. Instructions are clear, easy to understand and all the step by step photos are really helpful.

A fantastic book. I have always wanted to do masks, and this book will help me get started. The directions are clear, and the pictures are an inspiration. (The beak on the owl mask is too long, and too straight however).

One of the best description of felting on finger puppets and masks!!! I am just one year into felting and found it easy read and understand !!

I have 2 of Terese's books and they are extremely well written and illustrated. Well worth the money! wish I could take a class from her!

Really interesting ideas. Well described process with excellent photos to illustrate the techniques.

Loved this book. It has inspired me to create masks for our ballet group.
