Insight Guides: South Korea

Synopsis

One of the world's most exciting and cutting-edge countries, South Korea is a fascinating East Asian powerhouse, where ancient temples rub up alongside dazzling technology. Be inspired to visit by the new edition of Insight Guide South Korea, a comprehensive full-colour guide to all that's weird and wonderful about the country. Inside Insight Guide South Korea: A new edition by expert authors. Stunning photography that brings this fascinating country and its people to life. Highlights of the country's top attractions, including captivating former capital Gyeongju, the Unesco World Heritage Site of Haein-sa Temple and the still-relevant DMZ in our Best of South Korea. Descriptive region-by-region accounts cover the whole country, from pulsating Seoul to the remote islands of the Jeolla Provinces. Detailed, high-quality maps throughout will help you get around and travel tips give you all the essential information for planning a memorable trip. About Insight Guides: Insight Guides has over 40 years' experience of publishing high-quality, visual travel guides. We produce around 400 full-colour print guide books and maps as well as picture-packed eBooks to meet different travellers' needs. Insight Guides' unique combination of beautiful travel photography and focus on history and culture together create a unique visual reference and planning tool to inspire your next adventure. 'Insight Guides has spawned many imitators but is still the best of its type.' - Wanderlust Magazine

Customer Reviews

Inspiring your next adventure

Insight Guides wherever possible uses local experts who provide insider know-how and share their love and knowledge of the destination.

Insight Guides generally contain so much information and history about a country or region, and this guide to South Korea is no exception. If you just want a guidebook that primarily lists hotels, restaurants, and shopping, then this is not the book for you. But if you want to really learn about the country before you go, then this is ideal. And the fact that the electronic version is included as a real bonus!
