Sleeping Island: The Narrative Of A Summer's Travel In Northern Manitoba And The Northwest Territories

Synopsis

A New Improved Edition of this northern classic, with many new illustrations from the Downes archives, most not previously published. "P. G. Downes has published his experiences in finding Nueltin Lake, far to the north of Reindeer Lake, which is far north of Flin Flon, is the best book of Canadian travel that has appeared for several years. Sleeping Island is a book that will delight those who enjoy the records of the early explorers ." Globe and Mail, May 8, 1943.

Customer Reviews

Really interesting story of travel by canoe in the far north just before ww2. The observations about the people who live there and their circumstances are the best part. The detailed geography is sort of hard to follow. It's basically about a canoe trip to a far distant (even by their standards) lake. Really puts you in the scene. The footnotes are interesting and hard to follow in the kindle. You can and should read them after the book.

All expectations were met.

Very good
