Are you a spiritual warrior? Do you want to be? I started reading SATAN'S DIRTY LITTLE SECRET: THE TWO DEMON SPIRITS THAT ALL DEMONS GET THEIR STRENGTH FROM by Steve Foss about a month ago, and in less than 3 hours had finished 1/4 of the book! Inferiority and insecurity are deep-rooted demons in our lives on this earth. If you're tempted to submit to dark affliction--depression, addiction, anger, jealousy, etc., I suggest you give the first chapter a read! I've raved to friends and family and anyone who listen about SATAN'S DIRTY LITTLE SECRET, which covers: The author's belief that sorrow is not real repentance; the essence of sin as a rejection of God's authority; and the devastating effects of fear on our worship, relationships, willingness to tithe, what we do when opportunities to evangelize arise, and our ability to meet our purpose in Christ Jesus. One of my favorite parts of the book was the author's exploration of JOHN 21:15-17. Reading it for myself I always took it the way it's often preached--that is, as THE RESTORATION OF PETER. Focusing on the distinct Greek translations of 'agape' and 'phileo' love used throughout that section of Scripture, Steve Foss lays out his own, compelling conclusion. He had a word for particular traps I find myself falling into all the time, and I highly recommend SATAN'S DIRTY LITTLE SECRET, if you want an easy-to-read, insightful perspective on what ails us all. HIGHLY RECOMMENDED!

I saw the episode of It's Supernatural where Steve appeared with Sid Roth. It was a great video. I couldn't wait to get the book. After reading it, I'm a little bummed. I basically got the contents of the book in the video. It was only 118 pages - and much of that was scripture - and there was a bunch of repetition. If you haven't seen the video, you won't mind my first complaint, but you might concur with the second. However it is good material. It's a message that needs to get to God's people. I just not sure it was worthy of an attempt to stretch it into a book. It would make a great chapter in a book on spiritual warfare. I was hoping Steve would share more of the tales of the supernatural power he's experienced since his awesome conversion (a story that was not even included in this book - shame since it is such a powerful story). Unfortunately there were only a couple of personal stories with the rest of the book being points made and scripture to back them up. I still give this book four stars because the points are valid and strategic and the message is important. I just wish the publishers had required more of the good stuff to be included within the covers.

This book should be read by every born again believer, then shared with those who have not ever thought about the truths that lie within the pages, so many Christians bound up, this book will help to understand how to be successful once and for all. Apply the principals and freedom can be yours.

the reader learns that the revelation of this "secret" led directly to a paradigm shift in the author's ministry, as he exposes the ways the enemy's sinister system develops religious conduct in Christianity. And how superficial religious barriers manifest to inhibit Truth from entering the body. the author helps clarify our vision--not only leading to a calling through which anything is possible--but beyond that, to the hope of our inheritance through the One who has been given charge over "all things"--our Lord and Savior Jesus Christ. we must remain focused on Jesus, because He is where our righteousness comes from. Satan's Dirty Little Secret: The two demon spirits that all demons get their strength from

The book hits the nail on the head when it comes to overcoming fear. It explains what fear is, where it comes from, bible passages on how to combat it, and gives the reader the hammer to put to bed fear once and for all in their life. Fear is already defeated with the help of God, Jesus, and the Holy Spirit. Steve Foss has a great sermon on this subject also. God used this book and its author to help me overcome satan and his spirit of fear. With this book and Jesus on your side fear has to leave. Do not live by fear because God's love casts out fear.

This book throws a twist on what many Christians think are Satan's greatest weapons. Knowing who your enemy is and how he attacks you is half the battle. A good read for all Christians

This is an excellent book! Both my husband and I absolutely loved this book. It is an excellent teaching on the 2 spirits that all spirits are attached to. That EVERYONE deals with. Wow! What an eye opener and bears witness to us. Not only did we read it but bought copies for others. Just by reading this book it highlights in your life the working of these spirits. Just by knowing you can stop it. Loved this book and highly highly recommend it. My husband was grabbing this book from me before I finished just because I read him a few paragraphs. You will LOVE this book!

This book is for those seeking and it delivers truth as promised. This is a must read for all New Testament believers to live victoriously in every area of their lives. You shall overcome.
