Kindle UnlimitedDiscover the captivating beliefs of the ancient Greeks, Egyptians, and Vikings in

this book on Mythology that contains three manuscripts. The first manuscript in this bundle is the bestseller called Greek Mythology: A Captivating Guide to the Ancient Gods, Goddesses, Heroes, and Monsters. Manuscript 1: Greek Mythology: Captivating Stories of the Ancient Gods, Goddesses, Heroes, and Monsters This first part includes some of the standard views of Greek myth and history but also tantalizes your imagination with the possibilities that lay behind myth and legend. By the time you are finished with this part, you will have a good appreciation for the nature of Greek mythology and the gods, monsters, and heroes which populate it. Manuscript 2: Egyptian Mythology: Captivating Stories of the Gods, Goddesses, Monsters and Mortals, This part is jam-packed with fascinating facts and stories. For instance, it covers perhaps the most popular of all the Egyptian stories - the myth of Osiris. Pieces of this story have been found throughout Egypt. One of the most appealing aspects of the Osiris myth is the human-like behavior of the gods within the story. Many of the other gods of the Egyptian pantheon were rather emotionless and their stories far less interesting. With the Osiris story, the gods display a broad range of emotions that made them more real to mere mortals. Manuscript 3: Norse Mythology: Captivating Stories of the Gods, Sagas, and Heroes Within this part, you'll find the answers to these questions and more. -- noticed a review that said too simplistic, but thought to myself, just how detailed should books such as this be, since I don't want to have needed a Doctorate or some sort of higher degree to read these, so some things do need to be 'simpler' so a layman can actually understand them. Norse Mythology: Captivating Stories of the Gods, Sagas and Heroes (Norse Mythology - Egyptian Mythology - Greek Mythology Book 1) Egyptian Mythology: Captivating Stories of the Gods, Goddesses, Monsters and Mortals (Norse Mythology - Egyptian Mythology - Greek Mythology Book 2) Greek Mythology: A Captivating Guide to the Ancient Gods, Goddesses, Heroes, and Monsters (Norse Mythology - Egyptian Mythology - Greek Mythology Book 3) Mythology: A Captivating Guide to Greek Mythology, Egyptian Mythology, and Norse Mythology (Norse Mythology - Egyptian Mythology - Greek Mythology Book 4) Others as well of these type books, please see the the writer's [page](#).

Clayton's re-telling of those old myths is considerably interesting. The Greek parts are written very well and the author's passion for the subject is clear throughout. I just can't remember all those hard-to-pronounce many names. However, the knowledge that I got reading each story was really overwhelming. This is really a book that needs to be read by everyone.

For lovers of mythology, you can't help but hook your eyes on every page of this book. This book contains different rich stories of mythology characters from Greek, Egypt and Norse that you will

surely love. You will get to know more of the different gods and goddesses and other characters that will captivate your interest. A captivating read indeed!

I was impressed by how nicely this book was written, and the formatting was excellent. This was a fascinating book that went in-depth into Greek culture and legacies. The writing was interesting and enjoyable for learning about this culture. Worth recommending.

These are three very readable summaries of complex mythologies. I found the books very obliging in giving me a foot hold in these mythologies . Good clear text and easy to understand. I have got lots of knowledge from this bundle of books.

Just started this book and cannot put it down, I am learning so much about the gods from that time. Great book

as expected.

I do not recommend. Over simplifications
