## **Customer Reviews**

Great advice if you are interested in getting back your ex. Love it!!! Couldn't wait to finish reading it and practice the self help exercises.

Love it thanks so much it always works and reading your worlds always helps me have hope to looking at it in the positive side

A great approach to getting your ex back. This book is different than most get your ex back books as it is not filled with much of the same obvious information as other books offer.

Clay Andrews writes with a clear, common sense approach. He gives you tools to make the honest internal changes needed to be a better person if you're serious about reconnecting with your ex. Along with his personal coaching program, website, free YouTube videos, online support group (staffed by live people), Clay and his wife Mika (who have gone through their own painful breakups) guide you through everything! Starting with the base changes in this book. Definitely a must read!

Good

Nothing you can't find online. It takes a stupid mystical approach which I don't like however.

The book was helpful, but then I realized an ex is an ex for a reason

So don't act like one also I would like my money back okay I'd like my money back again please
