# Criminal Justice Information (How To Find It, How To Use It)

## Synopsis

The massive amount of criminal justice information now available to the public makes it difficult to assess its authority and value. This work is a comprehensive guide to print, electronic, and online criminal justice resources and the information they contain. It is the first criminal justice guide to explain how to determine the authority of sources, a vital task in the information age.

## Customer Reviews

"One of the most valuable parts is an appendix of Web sites related to criminal justice....One of the most useful chapters, even for experienced researchers is the guide to statistical sources for the topics of crime, capital punishment, juvenile justice, court systems, white collar crime, and even opinion polls."-Legal Information Alert  
"The effectiveness of this book makes it a valuable reference tool."-ARBA  
"The need for this book...ought to be as self-evident as the need for a criminal justice system."-Rettig on Reference...  
"the first guide of its kind to provide methods for evaluating resources both in print and online."-Reviewer's Bookwatch...  
"useful for the distant researcher....[it is an] excellent research guide, hence [it] should be in the collections of any criminal justice research collection."-Choice  
"All libraries and librarians could benefit from this ambitious reference book. Written for a very broad audience, this is one reference book that will not collect dust on the shelf."-Law Library Journal  
"The book should be extremely useful for anyone interested in the field of criminal justice, whether an interested individual, an advanced scholar from the high school through

graduate level, or a current practitioner in the field of criminal justice and related occupations."-Journal of Government Information..."useful for the distant researcher...."it is an" excellent research guide, hence "it" should be in the collections of any criminal justice research collection."-Choice?The effectiveness of this book makes it a valuable reference tool.?-ARBA?The need for this book...ought to be as self-evident as the need for a criminal justice system.?-Rettig on Reference?...the first guide of its kind to provide methods for evaluating resources both in print and online.?-Reviewer's Bookwatch?...useful for the distant researcher....[it is an] excellent research guide, hence [it] should be in the collections of any criminal justice research collection.?-Choice?All libraries and librarians could benefit from this ambitious reference book.
