Peppa Pig And The Camping Trip

Synopsis

Pack up the sleeping bags for a camping trip with Peppa, complete with a camper van full of surprises. Peppa Pig and her brother, George, are very excited. They're going on vacation! This time Daddy Pig has borrowed a camper van that has its own sink and beds and a roof that lifts up. It also turns into a boat they can take on the river. Even more fun are the nature activities Peppa enjoys with her family, like visiting swimming ducks, spotting wildlife on their walks, building a campfire, and pitching Daddy's old tent. But best of all are the shooting stars they see in the night sky as they're falling asleep!
